On May 24, 1978, DWP and SRP examined a copy of THE 1850 CENSUS OF PENNSYLVANIA: LUZERNE AND WYOMING CUUNTIES in The Scranton Public Library. Therein they discovered the names of Jeanette Locke and her three children (listed as residents of Carbondale) (see p.1082 of Vol. I of SRP). The following information about Margaret Gillespie Locke Russell is given in that census report:

> p. 695, #41: Margaret Locke, age 19, female, from Scotland (listed by census taker, J. B. Mills, on Sept. 9, 1850)

OELR took care of Mrs. Margaret Russell from May 30 - June 3, 1904, and from December 19 - December 31, 1904. OELR took care of Aunt Nettie, when she had the typhoid fever, (see p. 1366), from August 1 - September 17, 1905.
